

Prepared in cooperation with the West Piedmont Planning District Commission under a grant from the United States Federal Emergency Management Agency and the Virginia Department of Emergency Management.

The contents of this report reflect the view of the West Piedmont Planning District Commission. The Consultant is responsible for the facts and the accuracy of the data presented herein. The contents do not necessarily reflect the official views or policies of the Federal Emergency Management Agency or the Virginia Department of Emergency Management. This report does not constitute a standard, specification, or regulation.

FEMA or VDEM acceptance of this report as evidence of fulfillment of the objectives of this plan does not constitute endorsement/approval of the need for any recommended improvements nor does it constitute approval of their location and design or a commitment to fund any such improvements. Additional project level impact assessments and/or studies of alternatives may be necessary.
